Dear Crisis Solutions Coalition Participants,

Thank you for your attendance and your input during our first Crisis Solutions Coalition meeting. We have tried to organize the ideas you provided into categories based on themes. Our hope is that each of you will spend some time looking at these notes over the next couple of weeks and reply with your thoughts by January 17 to help us plan for our next meeting in late January/early February.

Please review and let us know...

- Which themes should we prioritize for next steps?
- Are there ideas that we did not include that you would like to be considered?
- Are there particular themes to which you are willing to commit more focused time and talent?
- Do you have any other feedback on the meeting or the process?

We are energized by the creativity and solution focused thinking that each of you brings to this project. With your continued partnership, we are convinced that we will achieve our goal of making positive changes to assist individuals and families in behavioral health crisis.

Please send your comments and suggestions to Crystal Farrow, Crisis Solutions Initiative project manager by January 17, 2014 at crystal.farrow@dhhs.nc.gov. Her phone number is 919-715-1294.

We expect the next meeting to be scheduled for late January/early February and will be back in touch with that information early in 2014. In the meantime, we extend our best wishes for a joyous holiday season.
